

## Cupcake Birthday Card

### Products Used

Tweezers

Hama MINI Beads - Multi Pack (583)

Square Peg Board for Hama MINI Beads (593)

Raspberry Pink A4 Thick Card

A4 Sheet Double Sided Pearl Card - Whisper White

Pink Sorbet A4 Thick Card

White Foam Pads 3mm x 3mm x 2mm

Black A4 Thick Card

Silicone Glue

### Step 1

Using the *Square Peg Board*, *Mini Beads* and *Tweezers* (you will definitely need tweezers!) lay out your design. Once complete, iron (using a household iron) the design to fuse it together. Remove finished design from the board.

### Step 2

[www.gigglesquiggle.co.uk](http://www.gigglesquiggle.co.uk)

Fold *Raspberry Pink Card* to make an A5 card. Cut a piece of *Whisper White Pearl Card* to create a 12cm X 17cm piece of card. Using a black felt tipped pen create stitching design round edge of card. Use *Foam Pads* to stick *Whisper White Pearl Card* onto the centre of *Raspberry Pink Card*.

### Step 3

Cut a piece of Pink Sorbet Card to create a 14 cm X 9cm piece of card. Using a black felt tipped pen create stitching design round edge of card. Using *Foam Pads* to stick *Pink Sorbet Card* on to the centre of *Whisper White Pearl Card*.

### Step 4

Use *Silicone Glue* to stick Hama Bead design on to the piece of *Black Card*. Once dry cut round outline of your Hama Bead design leaving a boarder approximately the width of one Hama Bead.

### Step 5

Using *Foam Pads* stick mounted Hama Bead design on to front of layered card. Print greeting of your choice on *Raspberry Pink Card* and mount on *Black Card*. Stick on card using *Foam Pads*.
